Planning for Your Visit

Docent led walks take place Tuesday through Friday and are offered each day at 10:15 (10:45 by special request). The walks range from 45 minutes to an hour and a half, depending on grade level. Walks are available year-round unless otherwise indicated, and all are free of charge.

Students will work in small groups with a docent. At least one adult per 8 children is required. Pre- and post-visit information will be sent along with your confirmation; please use it to help prepare your group to make the most of their field trip.

Registering for a walk

We will be accepting registration by mail or fax only. The registration period is November 3 through December 3 for Spring 2010 walks. All registrations received by the last day of the registration period will be entered into a lottery, and teachers will be notified of the results in early January.

Each teacher is eligible for one walk per year. Teachers who register for the fall but who do not get a walk date are eligible to reapply for the spring. All teachers, regardless of number of visits in earlier years, have an equal chance of obtaining a walk date.

Buses

At present, the SFUSD Transportation department requires that each free field trip bus carry at least two classes. Please remember to apply for a guided walk with a partner class if you must request a free SFUSD bus to get here. We encourage teachers who can use public transportation to apply singly. If you must have a SFUSD bus to get here and none are available, we have extremely limited resources available to pay for buses for a few classes.
