801. SCRIBE WINE AND TASTING

Donated by: Scribe Winery

Visit Scribe estate in Sonoma and enjoy private Hacienda food and wine tastings for 4 guests. Scribe Winery in Sonoma, CA produces vibrant, terroir-driven wines. The winery–founded in 2007 on a property that pioneered pre-prohibition Sonoma Valley winemaking–is managed by fourth-generation California farmers and brothers who believe the best wines are a result of a healthy relationship between man and nature, and that a vineyard managed in harmony with the greater ecosystem results in more site-specific wines that represent a sense of time and place.
